\*"Domicile" means the place where the you live and have your permanent home and to which you have the intention of returning whenever you are absent. Actual residence is not necessarily domicile, for domicile is the fixed place of abode which, in your intention, is permanent rather than transitory. Domicile is the voluntary fixed place of your habitation, not for a mere special or limited purpose, but with the present intention of making a permanent home, until some event occurs to induce you to adopt some other permanent home.

\*\*Fill in the Date Changed field only if you are reporting a change in your domicile.
