LIVE BURN – Sunday, October 3rd, 1:00 p.m.

As part of National Fire Prevention Week, the Meadville Fire Department will be presenting a dramatic side-by-side fire and sprinkler burn demonstration at the Meadville Central Fire Station, 850 Park Avenue on Sunday, October 3rd beginning at 1:00 p.m.

Two fire demonstration units will be on site for this live burn. Both will have smoke alarms. One will have a fire sprinkler system installed to demonstrate the life-saving difference this vital protection makes when fire strikes. More than 80 percent of all fire deaths occur in the home.

This demonstration and educational briefing is open to the public and will last approximately one hour. Please bring your own seating and join in this very important fire safety activity.
