CITY OF MEADVILLE

BUILDING/CONSTRUCTION FEE SCHEDULE

A. Permit Fees. The following fees for Uniform Construction Code permits, plan reviews, certificates of occupancy and administrative costs shall be payable at the time an application for permit is submitted to the City:

- | | | | |
|----|---|---|---|
| 1. | Project requiring permit with estimated cost of \$6,000 or less | - | \$30.00 |
| 2. | Project requiring permit with estimated cost of more than \$6,000 | - | .0040 times the estimated construction cost |
| 3. | Fee imposed by State of Pennsylvania | - | \$4.50 |
| 4. | Certificate of Occupancy/Request Inspection- | | \$30.00 Inspection
\$30.00 Issuance of Certificate |

In the event the Building Code Official disputes the estimated cost as stated, the Official may request documentation to support the statement of cost including copies of bid proposals or contracts, a certified statement of contractors or vendors, or other commercially acceptable and reasonable information.

B. Inspection Fees. Fees for Uniform Construction Code inspections shall be payable to the City before a permit shall be issued. These inspection fees shall be the fees set forth in the inspection fee schedules of the third party agency retained by the City to perform inspections, copies of which are attached. At the time of plan review, the building code official will make a determination of the inspections that will be required and will give notice to the applicant of the inspection fees required. Those fees shall be paid in full before permits will be issued.

In the event additional inspections are required as a result of changes in the work or work to be corrected or other reasonable cause, additional inspection fees may be charged and will be payable before a certificate of occupancy shall be issued.

C. Annual Permit Fee. \$500.00

Any person who regularly employs one or more qualified trade persons to perform maintenance and alterations to buildings, structures or premises owned and operated by that person, may apply for and be granted an annual permit for alterations to already existing and approved electrical, gas, mechanical and plumbing installations. This permit would allow the owner/operator of the premises to make alterations to these existing systems without applying for an individual permit for each alteration. A condition of granting the permit is that the person keeps a detailed record of alterations made under the annual permit and make records of such alterations available for inspection by the Building Code Official at all reasonable times. All changes to existing structures, and all replacements of or substantial renovations to existing electrical, gas, mechanical and plumbing installations shall require individual permits.

D. Demolition Permit. \$150.00

E. Appeal Fees. Fees for Uniform Construction Code Appeals shall be as follows:

- | | | |
|----|---|----------|
| 1. | Appeal fee | \$400.00 |
| 2. | Appearance fee for court stenographer if hearing is requested - actual cost | |
