

CITY OF MEADVILLE

PARKING FAQS

Q I received a parking ticket - what do I do?

Insert both the ticket and payment in the envelope provided and seal it. You can either mail the envelope to the City Building, or drop it off in a Courtesy Box (locations available on City website). You may also bring the envelope to the Police Department at the City Building (use the Center St/ entrance). Please note: ***the parking ticket is the only parking violation notice you will receive, & it requires your immediate response.***

Q What payment forms are accepted for parking tickets?

- Check made payable to the City of Meadville
- Cash in the exact amount (change cannot be given)
- Online via tocite.net/cityofmeadville/portal

Q What happens if I don't pay the parking ticket?

There are several ways that unpaid violations are handled. See the “Fines for Parking Violations” on the City website for the list of violations, fines, and timeframes for paying before the fine increases/and or goes to citation. Once a ticket goes to citation, additional costs are incurred and the fine can only be paid at the District Magistrate’s Office (located in the Police Station).

Q I don't have any quarters - how can I pay the parking meters?

The City of Meadville is proud to partner with **meterEZ** to offer a digital payment option for all metered parking. Simply scan the QR code found on the meter and follow the instructions. You can also visit meadville.meterEZ.com to create an account. Please note: there is a **\$0.40 processing fee** per transaction. The fee goes directly to **meterEZ** and can be reduced to \$0.20 per transaction if you use the **meterEZ** wallet.

Q Can I park in reserved parking spaces after hours?

Yes. Reserved parking spaces are enforced from 6am-6pm Monday-Friday. After 6pm on weekdays and during weekends, reserved parking spaces are available to the public unless otherwise noted at the space.

Q Parking Meter Isn't Working/Other Parking Enforcement Questions

Please call parking enforcement at **(814) 333-3314** for any questions regarding parking tickets, meters, and other enforcement related questions. To report a broken meter, please note the location and the meter pole number. Please leave your name and number if you would like a return call.
